RE: Software Engineer,

Dear Recruiter,

Please accept this letter as an expression of my interest in the Software Engineer position. I am a highly motivated and progress-focused Software Engineering student with a background in this industry. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to this company.

Throughout the course of my career, I have perfected my programming and software engineering abilities. My love for object-oriented programming and the overall ability to develop software makes me perfect for this position. I am a capable and consistent problem-solver skilled at prioritizing and managing workloads with proficiency.

In my previous roles, I contributed leadership, collaboration, and product development toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong problem-solving talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Thank you for your consideration.

Sincerely,
Araf Rahman
